New England Gladiolus Society
American Gladiolus Society

- AFLAME (Horn)** Best red P. G. L 10 - 50c.
- ALPHEUS (Errey)** Beautiful light salmon pink with scarlet blotch. Not very large but I consider it one of the best. L 15c, M 10c, S 2 - 10c.
- AMADOR (Kingsley)** New red that is a winner. Six to eight open. One of the best. L 50c, M 40c, Blts. 5 - 20c.
- AMAZON (Gilrey)** Very large lilac mauve with white blotch. L \$1.00, Blts. 2 - 25c.
- AMETHYST (Symons)** Fine show glad of a lilac-rose color. Rather short grower but fine nevertheless. L 2 - 25c, M 2 - 20c, S 3 - 20c.
- ARTEMIS (Barth)** Exquisite light pink of show quality Many open. One of the very best. L 65c, Blts. 4 - 20c.
- AVE MARIA (Pfitzer)** The best low priced light "blue" and a real good glad. L 10 - 50c.
- BAGDAD (Palmer)** Wonderful smoky old rose. Tremendous blooms on fine long spikes. L 25c, M 15c, Blts. 10 - 25c.
- BENTLEIGH (Gilrey)** Large show spike with many buff colored, well placed florets. L 45c, M 30c, S 2 - 30c, Blts. 10 - 25c.
- BERTY SNOW (Mair)** Well known lavender L 10 - 50c.
- BILL SOWDEN (Fallu)** Very large deep red of fine form. A real aristocrat. L 20c, M 15c, S 10c.
- BLEEDING HEART (Brown)** About the best blotched light pink. Strong grower with eight or ten large blooms open. Very outstanding. L 20c, M 15c.
- BLUE DANUBE (Pfitzer)** Elegant large light "blue." Strong grower and one of the two best on the market. L 35c, M 25c, S 15c.
- CALEDONIA (Mair)** Striped light pink which opens as many as twelve on a great exhibition spike. One of Mair's very best. L 50c, M 30c, S 20c, Blts. 4 - 20c.
- CANBERRA (Errey)** Best show yellow. L 10 - \$1.00.
- CARMENIA (Mair)** Fine tall show spike. Along the color of Dr. Shook. Look to see this become popular. L 65c, M 40c, S 20c, Blts. 6 - 20c.
- COMMANDER KOEHL (Pfitzer)** Sensational large red that has taken the country by storm. Wonderful. Every fan should have this. L 12c, M 2 - 15c.
- DAVID PRIOR (Mair)** One of Mair's best. Color orange scarlet with cream throat. Nice strong, tall grower. L 75c, M 40c, S 20c, Blts. 6 - 25c.
- DIGNITY (Mair)** Fine clear pink on a typical Mair show spike. Wonderful color. L 20c, M 2 - 30c, S 2 - 20c, Blts. 10 - 20c.
- DUCHESS OF YORK (Mair)** Outstanding smoky. Beautiful ashy rose with white blotch and many open. L 2 - 20c, Blts. 100 - 50c.
- EDITH ROBSON (Brown, Aust.)** Light salmon pink with red blotch. Huge spike with eight or more open. L 45c, M 35c, S 20c, Blts. 10 - 20c.
- EMILE AUBURN (Lem.)** Very large smoky rose salmon, a color hard to describe. Wonderful when well grown and likes plenty of water to be at its best as do many other fine glads. L 10 - 50c.
- EMMA (Velthuys)** Very large spike with as many as eight big florets open. Color salmon pink with large red blotch. Outstanding among the blotched sorts. L 15c.

- ESME DESAILLY (Errey)** One of Errey's best. Salmon pink, lower petals cream with red lines. Fine tall spikes of well placed flowers. Real fine variety. L 20c, M 15c, S 10c, Blts. 100 - 50c.
- FATA MORGANA (Pfitzer)** Light salmon pink. Fine tall spike and many open. A beautiful thing and one of Pfitzer's very best. L 25c.
- FIELD MARSHAL (Mair)** Fine smoky that is gaining in popularity. Builds up a good show spike of dark red splashed with slate. L 20c.
- GEN. MANGIN (Lemoine)** Wonderful dark red. Very strong grower and frequently opens ten blooms. This is good. L 45c, M 25c, S 2 - 30c, Blts. 10 - 20c.
- GERTRUDE SWENSON (Swenson)** New mauve from Australia which has created a sensation down there. Very rare as yet. Blts. \$1.00 each.
- GLENBURN (Mair)** Wonderful cream, sometimes even better than Queen Mary as it does not have such a tendency to flake. L 20c.
- GRAF ZEPPLIN (Pfitzer)** Clear, brilliant orange scarlet of fine form. Tall, straight spike. Winner of many awards. L 20c, M 2 - 20c.
- HEATHFIELD (Errey)** One of Errey's finest new ones. Color bright orange crimson shaded with copper. Great show spike with ten or more open. L 60c, M 40c, S 20c, Blts. 5 - 20c.
- HINEMOA (Doney)** Very large rose flaked with chocolate and beautifully set off with light yellow blotches. A real wonder glad from New Zealand. L 20c.
- INSPIRATION (Palmer)** Deep pink with large ruffled blooms of heavy substance. S 20c.
- IRENE (Mair)** Runner up to Picardy at Canadian show last summer. Fine salmon rose with gray edges. L 35c, M 2 - 35c, S 3 - 35c.
- JESSIE (Mair)** Large rose with white blotch. Great prize winner. L 20c.
- JONKHEER VAN TETS (Pfitzer)** Best pure white. Very large and good number open. L 25c.
- JUBILEE (Kemp)** Best large lavender. Frequently six inches across. L 15c.
- KYLE (Mair)** Deep lilac rose flowers on very tall spikes and many open at once. When well grown this is a super exhibition glad that will command instant attention. Quite rare as yet. L 30c, M 20c.
- LAIDLEY (Errey)** One of the finest in the entire list. Consistently produces perfect spikes. Predominating color deep pink, suffused with cream. L 15c.
- LEANDER (Errey)** Outstanding new one from Australia. Color orange salmon with large magenta blotch. L 50c, M 40c, S 30c, Blts. 5 - 20c.
- LOCHNAGAR (Mair)** Dark mahogany color with white blotch. Very tall spike and many open make this one of Mair's best. S 20c, Blts. 10 - 20c.
- MAID OF ORLEANS (Pfitzer)** Wonderful new white that is a winner wherever shown. The best white on the market at any price. L 35c, M 20c, S 2 - 20c, Blts. 15 - 20c.

- MAMMOTH WHITE (Pfitzer)** Another fine white but not as reliable in producing good spikes as Maid of Orleans. When at its best hard to beat. Frequently 6 inches across. L 15c.
- MARMORA (Errey)** In my opinion this wonderful variety still stands at the top of the fine list of smoky varieties. L 10 - 50c.
- MINUET (Coleman)** Still the best lavender. L 10 - 50c.
- MISS GREELEY (Briggs)** New one somewhat similar to Phipps and much earlier. This was well liked at the shows last summer. L 20c.
- MOORISH KING (Pfitzer)** The aristocrat of the dark reds. All fans will want this now that the price is coming down. L 75c, M 50c S 25c, Blts. 2 - 20c .
- MOROCCO (Pfitzer)** Next to Moorish King in the dark reds. An outstanding glad which should not be overlooked by those who like the dark colors. L 10 - 50c.
- MOTHER MACHREE (Stevens)** One of the most sensational glads ever introduced and also among the most beautiful. An exquisite blending of salmon, lavender and orange making a wonderfully beautiful flower. L 12c, M 2 - 15c, S 10 - 35c.
- MR. WM. CUTHBERTSON (Mair)** As a ruffled glad this has few rivals. Beautiful rose pink with light center and good number open. L 20c, M 2 - 25c, S 3 - 20c.
- NOEL REEVE (Phillips)** Rosy pink with lighter throat color varying somewhat with the season. Exhibition type with many well placed florets open and one of the best new ones from Australia. Blts. 4 - 20c.
- OUR SELECTION (Ball)** Fine smoky that is gaining fast. Great prize winner as it often opens 10 or more large blooms on fine long spikes. L 2 - 20c.
- PAUL CAMBON (Lem.)** Much like Emile Auburn in form. Color deep coppery red with maroon blotch. One of Lemoine's best. L 20c, M 15c, S 10c.
- PAUL DESCHANEL (Lem.)** Rose pink with darker rose blotch. Quite similar in type to E. Auburn and P. Cambon which means it must be a good one. L 15c.
- PELEGRINA (Pfitzer)** Wonderful dark "blue" that nearly every glad fan wants. L 30c, M 20c, S 15c, Blts. 8 - 25c.
- PICARDY (Palmer)** Exquisite new salmon or shrimp pink which has taken the glad world by storm. No fan should be without this wonderful "creation" by Mr. Palmer. L 25c, M 15c, S 12c, Blts. 100 - \$1.00.
- PIMPERNEL (Mair)** Unquestionably the best scarlet with white blotch. A very beautiful glad. Bound to become popular when better known. L 35c, M 25c, S 2 - 25c, Blts. 10 - 25c.
- PROF. VON SLOGTEREN (Alkemade)** One of the most beautiful pink glads I have ever seen. Deserves a place in any garden. L 20c.
- QUEEN MARY (Mair)** Wonderful cream variety that can win over anything else in its class when at its best. Fine, tall, strong grower producing show spikes in great quantity. Had a spike in the Lawrence, Mass., show last summer with 15 open but 9 or 10 more common. L 30c, M 20c, S 15c, Blts. 10 - 25c.

- RAMESSES (Stevens)** A most remarkable novelty. Immense purple flowers of novel form borne on very tall, strong spikes. Has been high priced but now within reach of most fans. L 40c, M 30c, S 20c.
- RED LORY (Errey)** Wonderful exhibition carmine rose with red blotches. Spikes with 10 or more open are no rarity with this variety. Certainly rates as one of the "ten best" with me. L 25c, M 15c, S 10c, Blts. 100 - \$1.00.
- ROSEMARIE PFITZER (Pfitzer)** One of Pfitzer's recent introductions and some say his best to date. Color a beautiful light creamy pink varying somewhat in intensity. Flowers very large, of fine form and many open on nice tall spikes. This was shown in wonderful form at the Boston show last summer. L \$1.50, M 80c, S 50c, Blts. 2 - 25c.
- SALBACH'S ORCHID (Salbach)** Similar to Minuet in form but pinker. Big winner in the rose pink class. L 30c.
- SCHWABEN GIRL (Pfitzer)** Fine pure pink self. Strong grower with nice straight spikes and 8 or more large florets open. L 25c.
- SENATOR (Mair)** One of Mair's very best. Deep salmon striped with scarlet, very large and many open. Will be a winner when better known. L \$1.00 M. 60c, S 40c, Blts. 2 - 20c.
- SILVERSHEEN (Symons)** Beautiful salmon pink with white and red throat markings. The whole flower is overlaid with a beautiful sheen hence its name. Has won many awards wherever shown. L \$1.25, M 75c, S 50c, Blts. 2 - 25c.
- SULTAN (Mair)** Crimson flaked with purple and slate with a cream blotch. Extra tall grower and many open make this a good one for the smoky class. L 20c, M 2 - 20c.
- TINAMBA (Errey)** Very large light pink with lighter throat. This should appeal to those who like the large ones. L 20c, M 2 - 20c.
- TIP TOP (Pfitzer)** New giant scarlet which is said to be one of the Pfitzer's best originations. Blts. 30c each.
- TOSCA (Barth)** Beautiful deep red with very dark throat. Fine spike of very large, well placed florets and about six or more open. This is good. L \$1.00, Blts. 2 - 20c.
- WARATAH (Errey)** Wonderful new orange scarlet with crimson center. Fine long spikes and many well placed florets open make this one of the finest new exhibition sorts. L \$1.00, M 60c, S 35c, Blts. 2 - 20c.
- WUERTEMBERGIA (Pfitzer)** Beautiful, large, dazzling scarlet with white throat blotch. One of the two best in this color. This certainly makes a wonderful show in the garden. L 35c, M 20c, S 2 - 20c, Blts. 15 - 20c.
- YVONNE (Krelage)** Exquisite blush white with rose throat blotch. Very large massive flower spike on strong growing plant. I consider this one of the "ten best" glads. L 10 - 50c.

1934

In presenting this, my first list, I have tried to include as many of the good new varieties as possible and yet not overlook some of the older ones of outstanding merit. As growing glads is strictly a spare time project with me it was necessary to make this list as small as possible but I hope the quality makes up for the lack of quantity.

Grow your glads well. Too often we see fine varieties poorly grown. Plant them in good soil with plenty of good fertilizer and above all do not neglect watering, especially as blooming time approaches. This is very important if you want the fine spikes which so many new varieties can produce if given the chance.

MY GUARANTEE

All bulbs are guaranteed to be healthy, true to name and free from thrips.

TERMS

All shipments prepaid. No order can be accepted for less than \$1.00. Cash with order please. No C. O. D. orders.

10 bulbs at eight times the each prices.

5 bulbs may be had at the 10 rate.

Large bulbs 1 $\frac{1}{4}$ " up, medium $\frac{3}{4}$ " up, small $\frac{3}{8}$ " up.

Money refunded if out of variety or size ordered unless otherwise directed by customer.

SHIPMENT

I will start shipping about the middle of March. Earlier shipments at the customer's risk. Early orders appreciated as I start planting about April 15th.
